KDOT requesting comments on STIP amendment

The Kansas Department of Transportation (KDOT) requests comments on an amendment to the FFY 2023-2026 Statewide Transportation Improvement Program (STIP) document.

The STIP is a project specific publication that lists all KDOT administered projects, regardless of funding source, and includes projects for counties and cities as well as projects on the State Highway System. The list of projects being amended to the STIP can be viewed at <http://www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp>.

Along with the project listing is Administrative Modification #1 for updates to the Metropolitan Transportation Improvement Programs narrative section and for the creation of Appendix D for the inclusion of RAISE grant awards that are not administered by KDOT with no involvement, oversight or stewardship of funds provided by KDOT.

The approval of the STIP amendment requires a public comment period, which concludes Nov 2. To make comments on the amendment, contact KDOT's Division of Program and Project Management at (785) 296-3254.
