K-192 Resurfacing Project Set to Begin in Leavenworth & Jefferson Counties

On **Wednesday, June 13**, a resurfacing project will begin on a 17-mile stretch K-192 from the K-192/US-59 junction in Jefferson County moving east to the K-192/US-73 junction in Leavenworth County. Overall project work includes the milling away of one-inch of existing pavement followed by the application of a two-inch overlay of new asphalt, along with new pavement markings on the resurfaced stretch of K-192. Work will take place during daylight hours, 7:00 a.m. to 7:00 p.m. daily, Monday through Friday.

Beginning on **Wednesday, June 13 at 7:00 a.m.**, eastbound and westbound K-192 will be reduced to one lane in both directions along with intermittent closures of adjacent cross roads during the project work hours for resurfacing work. Traffic will be directed through the project work zone via a pilot car and flagger operation. There will be a posted speed limit of 40 mph and a 12-foot lane width restriction through the project work zone during working hours. Drivers should expect delays of up to 15 minutes maximum and are encouraged to use alternate routes, if possible.

Herzog Contracting Corporation (St. Joseph, MO) is the primary contractor on this resurfacing project with a total contract cost of \$1.8 million. **The scheduled completion date for the entire project is late July 2012, weather permitting.**

This project is funded by T-WORKS, the transportation program passed by the Kansas Legislature in May 2010. Find out more about this and other T-WORKS projects at:

<http://kdotapp.ksdot.org/TWorks/>.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone. For more information on this resurfacing project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340, or Kevin Kellerman, Bonner Springs Construction Manger, at (913) 721-2754. *(KDOT Project # 192-106 KA 2728-01)*
