**FOR IMMEDIATE RELEASE**

**For Thursday, April 5-Late August 2012 in Alma/Wabaunsee County**

### **K-99**

As of **Thursday, April 5**, all northbound K-99 traffic from 1st Street to 7th Street through the city of Alma will be detoured for a streetscaping project by the City of Alma. The Alma Downtown Streetscaping Improvement Project includes the installation new of curb and gutter, storm sewer, pavers, handrail, benches and pavement patching. Crews will conduct work Monday-Friday between 7:00 a.m. and 4:00 p.m. with some occasional Saturday work.

Northbound K-99 traffic will detoured on 2nd Street west to Kansas and then back on 7th Street to K-99. Once the northbound direction is completed, then southbound traffic will be detoured via the same route. Drivers should expect some minor delays during peak travel times.

**Special Note:** All wideloads wanting to travel through Alma on K-99 must use alternate routes during the duration of the project due to narrow lane restrictions on the detour route.

Project work is scheduled to be completed in **late August 2012**, weather permitting.
