Eureka Drive

24/7 FULL ROADWAY CLOSURE: Eureka Drive at the intersection of Skyway Drive will be **CLOSED, 24/7 round the clock**, so crews can complete intersection construction work on **Wednesday-Saturday, August 21-31, weather permitting**, in Manhattan (Riley County). This intersection is located approximately 1/4-mile straight west of the south roundabout on Scenic Drive.

NOTE: Skyway Drive from Scenic Drive to Wildcat Creek Road will be REOPENED to all traffic tomorrow (August 21), **BEFORE** Eureka Drive is CLOSED to all traffic.

No marked detour will be provided. A recommended alternate route for Eureka Drive traffic: Take K-18 to 56th Avenue to Wildcat Creek Road back to Eureka Drive. (*See map below for recommended detour route*). Drivers should expect delays and must use alternate routes during the roadway closure.

Updated traffic information for this project is available at:
<http://www.ksdot.org/topekaMetro/projectstudyNEKS.asp>

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone.

This roadway reopening is part of the overall improvement project that will reconstruct a seven-mile stretch of K-18 from Manhattan to Ogden to a freeway when completed. There are three construction phases included in the overall K-18 improvement project. Overall project work is scheduled to be completed in late fall 2013, weather permitting.
