## Sidewalk expansion project to begin in Eudora

The City of Eudora is scheduled to begin a sidewalk expansion project on Monday, Sept. 12, weather permitting. Sidewalks and improved stormwater infrastructure will be constructed along 10<sup>th</sup> Street, between Church Street and Peach Street.

Work will take place Monday through Friday during daylight hours and is expected to be complete by late January 2023. Drivers will encounter a lane closure on 10<sup>th</sup> Street in the work zone. Delays should be minimal.

Kansas Heavy Construction, LLC, of Shawnee, is the contractor on the \$1.8 million project. A portion of the funding was obtained through a Transportation Alternatives Program grant from the Kansas Department of Transportation.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of road construction projects across Kansas, go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1.
