

## TRAFFIC ALERT

Kansas Department of Transportation Traffic Alert

News Contact: Kimberly Qualls, (785) 640-9340 or [kqualls@ksdot.org](mailto:kqualls@ksdot.org)

**FOR IMMEDIATE RELEASE**

**For August 2-September 2 in Topeka/Shawnee County**

### **29th Street & Fairlawn Road Intersection**

Beginning on Monday, August 2, **NO right turns** will be allowed from eastbound 29th Street to southbound Fairlawn Road for pavement repair work on the southwest corner of the intersection improvement project. Crews will be completing repair work to the curb line and pedestrian sidewalk areas.

Currently, northbound and southbound Fairlawn Road is reduced to one lane in each direction at and south of 29th Street. Also, there are **NO left turns** allowed from northbound and southbound Fairlawn Road and/or from eastbound and westbound 29th Street at the intersection. During this phase, crews are reconstructing the medians and adjacent driving lanes on Fairlawn Road from the I-470 exit ramp to 29th Street.

Drivers should expect delays and are advised to use alternate routes, if possible. Lane closures will continue on both 29th Street and Fairlawn Road as crews continue reconstruction work on the intersection project. Updated traffic information for this intersection improvement project can be viewed online at: [www.ksdot.org/topekametro/laneclose.asp](http://www.ksdot.org/topekametro/laneclose.asp).

The NO left and right turn traffic restrictions are scheduled to be in place through **early September 2010**, weather permitting.
