FOR IMMEDIATE RELEASE

For Thursday/Monday, November 4-8 – Topeka/Shawnee County

Adams Street/Branner Trafficway at I-70

Weather permitting, beginning at **7:00 a.m. on Thursday, November 4**, northbound Adams Street/Branner Trafficway will continue to be closed north of the eastbound I-70 exit/entrance ramps round the clock (24/7) for pavement repair work. This lane closure and turn restriction is part of the City of Topeka's Adams Street/Branner Trafficway pavement repair project currently underway.

All ramps at the I-70 and Adams Street/Branner Trafficway interchange will remain open, though drivers exiting or entering onto the eastbound and westbound I-70 ramps will have turn restrictions. No right turns will be allowed from the eastbound or westbound I-70 exit ramps. A marked detour will be provided on local streets using 10th Street, Kansas Avenue, and 17th Street during the roadway closure.

Advanced signage on the I-70 ramps will alert drivers to the roadway closure. Drivers should expect minor delays and must use alternate routes during the roadway closure.

Project work is scheduled to be completed by **10:00 a.m. on Monday, November 8**, weather permitting.
