FOR IMMEDIATE RELEASE

For Tuesday/Friday, October 5-8, 2010 – Topeka/Shawnee County

US-24

Weather permitting, beginning on **Tuesday, October 5 at 7:00 a.m.** both eastbound and westbound US-24 will have varying ramp closures at the US-75, 25th Street and Goodyear Road interchanges for milling work on the US-24 resurfacing project. Work will take place daily, between 7:00 a.m. and 7:00 p.m. Tuesday/Friday, October 5-8.

Only one ramp will close at a time with an estimated closure at each ramp of approximately 1 to 2 hours. Crews will begin milling work at the eastbound US-24 to southbound US-75 ramp and continue eastbound until all ramps are milled. Once the eastbound ramps are is done, crews will then move to the westbound side and close the US-24 to Goodyear Road ramp first then continue moving westbound until all ramps are completed.

No marked detours will be provided. Drivers should expect minor delays and must use alternate routes during the ramp closures. Updated traffic information for this pavement repair project can be viewed online at: www.ksdot.org/topekametro/laneclose.asp.

Project work for this portion is scheduled to be completed on Friday, October 8, weather permitting.
