

**KANSAS DEPARTMENT OF TRANSPORTATION
SPECIAL PROVISION TO THE
STANDARD SPECIFICATIONS, EDITION 2015**

KANSAS CITY METRO MATERIALS

1.0 DESCRIPTION

Use concrete on this project that complies with the Kansas City Metro Materials Board Specifications.

Note1: for bid items, refer to the applicable sections of the Standard Specifications.

Note2: Bid items not requiring concrete that complies with the Kansas City Metro Materials Board Specifications will be identified in the Contract Documents.

2.0 MATERIALS

Provide the grade of concrete designated in the Contract Documents. Provide concrete that complies with the Kansas City Metro Materials Board Specifications. Information on these specifications may be accessed through the Kansas City Metro Materials Board website: <http://www.kcmmb.org/>

The Kansas City Metro Materials Board Administrator is: George Butler Associates, Inc., One Renner Ridge, 9801 Renner Blvd., Lenexa, KS 66219-9745, telephone: 913-577-8393 or 913-577-8370, fax: 913-577-8380.

The Engineer will accept the various components of the concrete based on receipt and approval of Type D Certifications according to **SECTION 2600**.

3.0 CONSTRUCTION REQUIREMENTS

Place, finish, cure and protect the concrete according to the applicable sections of the Standard Specifications.

4.0 MEASUREMENT AND PAYMENT

The Engineer will measure and pay for the concrete (or structures the concrete is incorporated into) according to the applicable sections of the Standard Specifications.
