

BID EVENT CB0012

QUESTIONS/ANSWERS

1. Is Sourcewell an acceptable alternative purchasing option for School Districts in the State of Kansas?
 - a. This Bid is for the Kansas Bus Purchasing Program. Only executive branch agencies with the State of Kansas are allowed to use cooperative agreements such as Sourcewell.

2. Can we submit a table of issues with our proposal?
 - a. No. We hold an annual meeting in May to revise the specifications for all bus types. You can submit any issues and request revisions at that time. The specifications are posted in the bid that is currently open and these specifications will be the only valid specifications for the entire contract period running Nov 1, 2022 through Oct 31, 2023.

3. In the IFB document in the Section **Submission of Bid Responses**, you listed documents that we need to submit with the bid. However, further down the IFB you are listing other documents such as 4 references, examples of documentation delivered with school buses, etc. Can you confirm which documents we must submit with our proposal?
 - a. The following are required:
 - IFB signature sheet and any required addenda, signed by an authorized Bidder representative.
 - Certification regarding Immigration Reform & Control, signed by an authorized Bidder representative.
 - Sexual Harassment form, signed by an authorized Bidder representative.
 - Boycott of Israel, signed by an authorized Bidder representative.
 - Tax Clearance Certificate.
 - One copy of the bid response from the program, signed by an authorized Bidder representative. This can be a single page showing the base pricing for each bus type or types you are bidding.
 - The website address to your company's online advertising.
 - Provide four (4) References. This applies to new vendors only.
