

QUOTATION#001-24

**PRE-AWARD
TRANSIT VEHICLE MANUFACTURER CERTIFICATION**

The surface Transportation Assistance Act of 1982, as amended provides that not less than 10 percent of funds authorized to be appropriated under the Act are to be expended with small business concerns owned and controlled by socially and economically disadvantaged individuals. In order to implement this requirement, the U.S. Department of Transportation issued a new Subpart D to the existing Disadvantaged Business Enterprise Regulation. Section 26.49 of Subpart D requires that every FTA recipient shall require each transit vehicle manufacturer, as a condition of being authorized to bid on vehicle procurement, to certify that it has complied with the requirements of this section. Accordingly, the following certification **must** be completed and submitted with your bid:

I, _____, hereby certify that
