7th Street/US-169 Closures Scheduled for Bridge Project in Wyandotte County

Weather permitting, on Friday, October 3, 7th Street/US-169 will close between Kansas Avenue and I-70 for concrete placement on the new 7th Street Bridge deck in Wyandotte County. 7th Street/US-169 will close beginning at 7:00 p.m. on Friday, October 3, and will reopen to all traffic at 5:30 a.m. on Monday, October 6.

Advance message boards will alert drivers to the lane closures. Marked detours will be provided. Southbound traffic will detour via westbound I-70 to 18th Street to Kansas Avenue and northbound traffic will detour via Kansas Avenue to 18th Street to eastbound I-70 to Central Avenue. The ramp from eastbound I-70 to 7th Street has been closed for this replacement project and will be throughout the duration of the project. The ramps to and from westbound I-70 will remain open.

Speed limits will be reduced to 60 mph through the project work zone. Drivers should expect major delays and are advised to use alternate routes, if possible. Updated daily lane closure information for this bridge repair project can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.

This work is part of a bridge replacement project that began in November 2007 for the 7th Street/US-169 bridge. Hawkins Construction Company is the primary contractor on this bridge replacement project with a total contract cost of $18.2 million. The scheduled completion date for the entire project is late December 2008.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone. For questions or additional information on this bridge replacement project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340, or Jason Van Nice, Lawrence Construction Engineer, at (785) 842-0299.
