Central Avenue Viaduct Bridge at I-70 Interchange

EXPECT DELAYS! 24/7 LANE CLOSURE: Westbound Central Avenue Viaduct right through lane just before the traffic signal located at the entrance ramp to eastbound I-70 is NOW CLOSED for emergency bridge deck repair work, 24/7 round the clock, beginning TODAY, Wednesday-Monday, July 17-22.

On Thursday, July 18, between 9:00 a.m. and 4:00 p.m., the eastbound and westbound Central Avenue to eastbound I-70 ramp movements will also be closed to all traffic so crews can complete the bridge deck repair work.

No marked detour will be provided during the ramp closure. Drivers should expect some delays through the project work zone and should allow extra time for their daily commutes.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give 'Em a Brake!” when approaching and driving through the project work zone.
