TRAFFIC ALERT

FOR IMMEDIATE RELEASE
News Contact: Kimberly Qualls, (785) 640-9340 or kqualls@ksdot.org

For Sunday, November 13, 2011 in Johnson County

I-35

On Sunday, November 13 at approximately 5:00 a.m., both northbound and southbound I-35 at College Boulevard will be impacted by a short 10-minute traffic disruption as utility crews pull overhead cable across the highway. Traffic will be directed by law enforcement via rolling roadblocks for this work.

The rolling roadblock will begin at I-435 for southbound I-35 traffic and at 119th Street for northbound I-35 traffic. Law enforcement will slow both northbound and southbound I-35 traffic for approximately 10 minutes at these start points beginning at 5:00 a.m. on Sunday.

NOTE: If utility crews are still pulling the cable across when the officers reach the affected area, they will actually stop traffic to allow the cable to be pulled across safely. Once the crews are done, both northbound and southbound I-35 will be reopened to all traffic.

Drivers should expect some delays and are encouraged to use alternate routes, if possible. Updated traffic information for this utility work can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.

Project work is scheduled to be completed on Sunday morning, November 13, weather permitting.
