

Public Open House

I-435 and Roe Avenue Interchange Project

Date: Thursday, March 27, 2014

Time: 6:00 pm - 8:00 pm

Please join the Kansas Department of Transportation, the City of Overland Park and Clarkson Construction Company to learn about the upcoming construction on the I-435 & Roe Avenue Diverging Diamond Interchange Project. Stop by anytime this evening to speak with members of the project team. There will be no formal presentations.

Location: Indian Woods Middle School Cafeteria
9700 Woodson Drive, Overland Park, KS 66213

The Roe Avenue Bridge over I-435 was built in 1970, and due to its age, has been identified for replacement as part of the Kansas Department of Transportation's (KDOT) T-WORKS Program. KDOT plans to close the Roe Avenue Bridge to through traffic while improvements are made. Project construction is scheduled to take 4-5 months.

More information about this project can be found online at:
