FOR IMMEDIATE RELEASE

For Tuesday/Wednesday, April 26-27, 2011 – Wyandotte County

I-670

As of 2:00 p.m., TODAY, Tuesday, April 26, eastbound I-670 is reduced to ONE THRU LANE ONLY from the I-70 split to Genessee Avenue for emergency repair work on the bridge.

The I-670 bridge was already reduced to two open thru lanes due to a current bridge repair project that is underway. However, due to an issue that was discovered in one of the open bridge lanes, that open lane was closed immediately to all traffic so that emergency repair work could be completed to correct the issue.

Drivers should expect DELAYS and are advised to use alternate routes if possible. The bridge will be reduced to ONE OPEN LANE round the clock until the emergency repair work is completed.

Crews hope to complete the emergency repair work only at the latest by late tomorrow, Wednesday, April 27, weather permitting.
