I-435 westbound pavement work to start Mar. 5

Work will soon begin on the westbound lanes of I-435 from Quivira Rd. to Metcalf Ave. During the paving project, lanes will be shifted and traffic in both directions will be reduced to three through lanes.

The paving is part of a two-year T-works project to improve I-435 in Johnson County, one of the most heavily traveled sections of roadway in the state.

Prep work is set to begin Mar. 5 with repair work planned for mid-March until mid-November, 2018.

Temporary Closures:

Monday, Mar. 5 through Friday, Mar. 9

- Temporary lane and ramp closures for marking eastbound between Quivira and Metcalf, including on and off ramps at Quivira, US-69, Antioch, and Metcalf, 9:00 a.m. to 3:00 p.m.

Saturday, Mar. 10

- Temporary lane and ramp closures for marking eastbound between Quivira and Metcalf, including on and off ramps at Quivira, US-69, Antioch, and Metcalf, 4:00 a.m. to 8:00 p.m.
- Eastbound I-435 reduced to one lane from I-35 to Indian Creek Bridge 4:00 a.m. to 8:00 p.m.

Sunday, Mar. 11

- Temporary lane and ramp closures for marking eastbound between Quivira and Metcalf, including on and off ramps at Quivira, US-69, Antioch, and Metcalf, 4:00 a.m. to 8:00 p.m
- Eastbound I-435 reduced to one lane from I-35 to Metcalf Ave 4:00 a.m. to 8:00 p.m.

Monday, Mar. 12

- Westbound I-435 two left lanes closed from Metcalf Ave to Quivira Rd 9:00 a.m. to 3:00 p.m.

Long-term traffic impacts
Tuesday, Mar. 13 to a tentative date of mid-November, 2018

- I-435 eastbound will be reduced to three through lanes
- I-435 westbound will be reduced to three through lanes
- Additional lane shifts and temporary closures will be required as work progresses

**Detours:**

Drivers should expect traffic delays on I-435 during the construction period, especially during rush hours and should allow more travel time to go through the construction area. Drivers who normally use I-435 should consider using College Blvd. or 103rd St. for local travel.

During the paving project, two westbound lanes will be paved at a time. As the project progresses, westbound traffic will be shifted to re-open sections and close a new section for work. Additional temporary closures may be required to shift lanes.
