K-32 Closures Scheduled for Railroad Crossing Repair Project in Wyandotte County

Weather permitting, on Monday, August 18, K-32 just west of 121st Street in Bonner Springs will be reduced to one lane in each direction for a railroad crossing repair project. The K-32 lane reductions will be in place for approximately four days (two days each for westbound and eastbound work). Project work is scheduled to be completed on Thursday, August 21.

During the lane closures, drivers should expect minor delays and are advised to use alternate routes, if possible. Updated daily lane closure information for this project can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone. For more information on this railroad crossing repair project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340.
