Jim Wetterberg, (913) 721-2754 or [jimw@ksdot.org](mailto:jimw@ksdot.org)

## **K-92/Centennial Bridge Repair Project SUSPENDED in Leavenworth County**

**By early evening on Friday, July 1**, all repair work on the K-92/Centennial Bridge spanning the Missouri River in Leavenworth (Leavenworth County) will be halted and the bridge reopened to all traffic until further notice. The Kansas Department of Transportation has made a decision to halt repair work and reopen the bridge to all traffic to help alleviate heavier than normal congestion throughout northeast Kansas and northwest Missouri due to flooding along the Missouri River that has resulted in numerous roadway and bridge closings in the regional area.

Both lanes on the bridge will be reopened all traffic and all speed limits and traffic restrictions will be lifted. All traffic signals will be removed and work zone signage will be covered until project work resumes at some future date.

When the bridge repair project is resumed, separate notification will be sent out well in advance of the restart date. A resume date for the bridge repair project is unknown at this time.

APAC-Kansas, Inc. is the primary contractor on this bridge repair project with a total contract cost of \$2.683 million. The scheduled completion date for the entire project is early June 2012, weather permitting.

For more information on this bridge repair project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340, or Jim Wetterberg, Bonner Springs Construction Manager, at (913) 721-2754.
