Pavement Marking Project to Begin on I-635 in Wyandotte County

Weather permitting, on Monday, October 19, a pavement marking project will begin on I-635 from Georgia Avenue to the Missouri River Bridge in Wyandotte County. Project work will take place during daylight hours, Monday through Friday, with some occasional Saturdays.

Advance message boards will alert traffic to the lane closures. I-635 will only have one lane closed during the rush hour commutes between 6:00 a.m. and 8:30 p.m. and again between 4:00 p.m. and 6:30 p.m. Drivers should expect minor delays and are advised to use alternate routes, if possible. Updated daily lane closure information for this pavement marking project can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.

Twin Traffic is the primary contractor for this $180,000 pavement marking project. The scheduled completion date for the project is mid-November 2009.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone. For more information on this pavement marking project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340, or Amy Pope, Bonner Springs Construction Engineer, at (913) 721-2754.
