

TRAFFIC ALERT

FOR IMMEDIATE RELEASE

April 4, 2014

News Contact: Kimberly Qualls, (785) 640-9340 or kqualls@ksdot.org

U.S. 56

EXPECT DELAYS! LANE CLOSURES: Eastbound and westbound U.S. 56 over the New Century Road and Industrial Parkway Bridges will be reduced to one lane in each direction, 24/7 round the clock, for polymer overlay work beginning on **Monday, April 7 at 9:00 a.m.** Crews will work during the day on Monday to set traffic control and the lanes will be fully closed once traffic control is in place.

Traffic will be directed through the project work zone via signage and cones. There will be a 12-foot lane width restriction through the project work zone during the duration of the project.

Drivers should expect delays during the lane closures and should allow extra time for their daytime commutes. Updated daily traffic information for this project can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone.

Project work is scheduled to be completed by early May 2014, weather permitting. (KDOT Project #56-46 KA 2789-01)
