I-435 & I-35 Interchange – Johnson County Gateway Yellow Project

These ramp closures are still on! Overnight ramp closures: Eastbound and westbound I-435 to southbound I-35 ramps will be closed for sawing and concrete pavement repair work beginning at 9:00 p.m. on Thursday, March 7 and reopening to unrestricted traffic at 5:00 a.m. on Friday, March 8.

Due to forecasted rain, these lane closures have been cancelled for this upcoming weekend & will be rescheduled until next week! Separate advance notification will be sent out early next week for the rescheduled closures. 24/7 weekend lane & ramp closures: Eastbound and westbound I-435 to southbound I-35 ramps will again be closed for sawing and concrete pavement repair work beginning at 8:00 p.m. on Friday, March 8 and reopening to unrestricted traffic at 5:00 a.m. on Monday, March 11. Also, southbound I-35 from Pflumm Road to 111th Street will be restricted to two through lanes for concrete pavement repair work during this same timeframe.

Advance message boards will direct I-435 traffic to detour north on I-35 to the 95th Street interchange then back to southbound I-35. Drivers should expect major delays during the ramp and lane closures and are advised to use alternate routes.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone.
Updated daily traffic information for this project can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.
