I-35 & Homestead Lane Interchange Project

EXPECT DELAYS! OVERNIGHT ROAD CLOSURE: All lanes of SOUTHBOUND I-35 from 175th Street to K-33 will be CLOSED for bridge construction work beginning at 10:00 p.m. on Thursday, March 28 and reopening to unrestricted traffic at 5:00 a.m. on Friday, March 29, weather permitting. Southbound I-35 will be completely closed for the setting of girders on the new Homestead Lane Bridge. (These lane closures have been rescheduled due to this weekend’s winter storm impacts.)

Advance message boards will alert traffic to the roadway closure. A marked detour will be provided. Southbound I-35 traffic will exit at U.S. 56 and head westbound on U.S. 56 to southbound K-33 and take K-33 back to southbound I-35 (See detour map below).

Drivers should expect delays and must use alternate routes during the roadway closure. The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone.
