

Johnson County Gateway Phase 2 Design-Build Project

Public Open House

**Thursday, April 10, 2014
4:30 to 6:30 p.m.**

**Thompson Barn
11184 Lackman Road
Lenexa, KS 66219
<http://goo.gl/maps/jJIZb>**

Construction is starting! Please join the Kansas Department of Transportation (KDOT) to learn more about the upcoming construction plans on the Johnson County Gateway Phase 2 Project.

Stop by anytime this evening to speak with staff from KDOT and the design-build contractor, Gateway Interchange Constructors. There will be no formal presentations.

Find more information at www.jocogateway.com.

#jocogateway

Join us for a public open house. We will be sharing information on proposed improvements. The Johnson County Gateway Phase 2 Design-Build Project will address 90 percent of the existing traffic problems drivers experience today and 50 percent of the projected 2040 traffic problems. Construction will occur throughout the project area in order to get things done quickly and efficiently.

For more information, visit the project website:
jocogateway.com

If you require special assistance at the open house or have questions about the open house, please contact Robyn Arthur at 913-312-4906 or rarthur@hntb.com.
