KDOT to repair Centennial Bridge (K-92) over the Missouri River

Beginning Monday, July 22, The Kansas Department of Transportation will perform bridge repairs on K-92 over the Missouri River in Leavenworth. The project will repair joints and improve the drainage structure of the K-92 bridge that connects Leavenworth with Route 92 in Platte County, Missouri. The project is expected to be completed by the end of September.

Traffic will be carried on one lane across the bridge utilizing temporary traffic signals. Traffic control will be in place 24/7 for the duration of the project. Motorists should plan ahead and allow for extra time.

L.G. Barcus and Sons Inc. of Kansas City is the primary contractor on the \$200,000 project.
