Collector road to close to 119th Street ramp

The southbound collector/distributor road from 103rd Street, College Boulevard and eastbound I-435 that runs along U.S. 69 will be closed to the 119th Street ramp starting Monday, May 6, weather permitting, according to the Kansas Department of Transportation.

Motorists on the collector road south of College Boulevard will only be able to exit to U.S. 69. They can then follow the signed detour south to 135th Street and then north back to 119th Street. The ramp closure will be 24 hours a day and last two weeks.

The closure is part of the work taking place from 103rd Street south to the Blue Valley Parkway split. Superior Bowen Asphalt Company of Kansas City, Mo., is the contractor on the \$3.3 million project. Motorists are asked to use extra caution throughout the construction project.
