**I-435/U.S. 69 overnight closures scheduled this week in Johnson County**

Multiple closures are scheduled overnight Wednesday, Dec. 13, and Thursday, Dec. 14 for I-435/U.S. 69 interchange ramps and eastbound and westbound I-435 in Johnson County, weather permitting.

These temporary closures are necessary to allow bridge girder setting work and are part of the Kansas Department of Transportation U.S. 69 expansion project (69Express).

**The following will be fully closed to traffic from 8 p.m. Wednesday, Dec. 13 to 6 a.m. Thursday, Dec. 14:**

- All westbound I-435 lanes at U.S. 69;
- Westbound I-435 to southbound U.S. 69 ramp;
- Northbound U.S. 69 to westbound I-435 ramp; and
- Lane closures on eastbound I-435 at U.S. 69.

**The following will be fully closed to traffic from 8 p.m. Thursday, Dec. 14 to 6 a.m. Friday, Dec. 15:**

- All eastbound I-435 lanes at U.S. 69;
- Westbound I-435 to southbound U.S. 69 ramp;
- Eastbound I-435 to northbound U.S. 69 ramp;
- Southbound U.S. 69 to College Boulevard exit ramp; and
- Lane closures on westbound I-435 at U.S. 69.

**During the scheduled closures, I-435 detours will be marked as follows:**

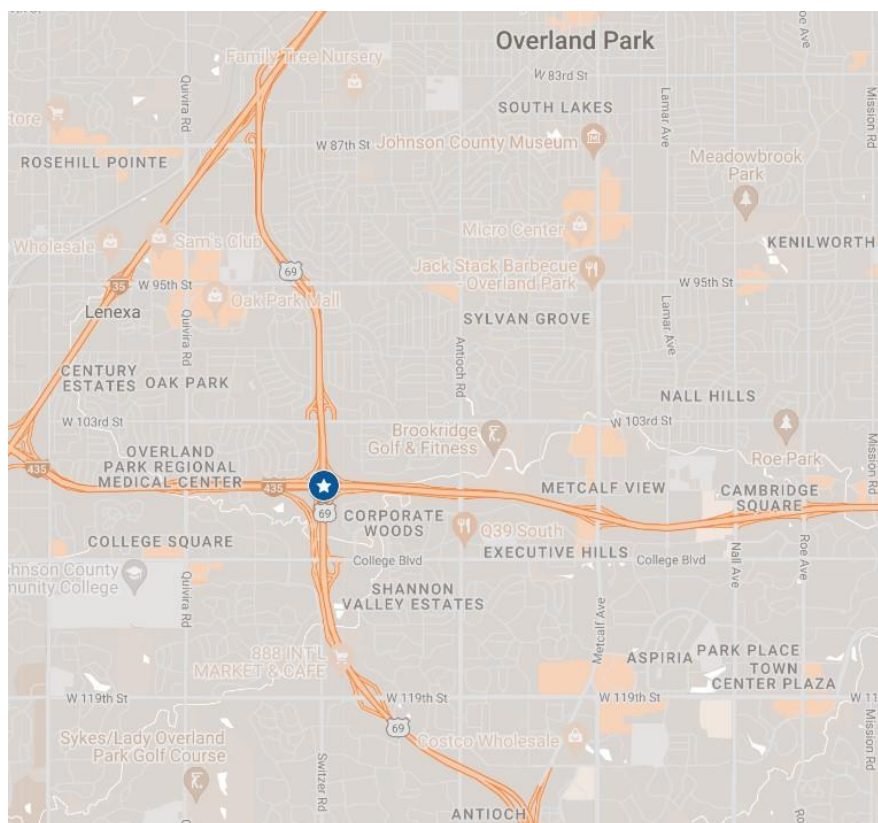

- Eastbound I-435: traffic will be directed to southbound U.S. 69 and exit at College Boulevard, then turn right and travel eastbound to the College Boulevard/northbound U.S. 69 entrance ramp and then to eastbound I-435.

- Westbound I-435: traffic will be directed to northbound U.S. 69 and exit at 103<sup>rd</sup> Street, then turn right and travel westbound to the 103<sup>rd</sup> Street/southbound U.S. 69 entrance ramp and then to westbound I-435.

The 69Express project includes reconstruction of U.S. 69, widening the highway with added express lanes – one in each direction between 151<sup>st</sup> and 103<sup>rd</sup> Streets – and interchange improvements at U.S. 69/167<sup>th</sup> Street in Overland Park.

All current U.S. 69 corridor construction and closure information is available on the 69Express project website, [www.69express.org](http://www.69express.org). For additional information, members of the public can get regular construction updates on the project on [Facebook](#) and [X](#) (formerly Twitter) pages and by [subscribing to the project newsletter](#) and [signing up to receive text message alerts](#).
