### **Section of E 37<sup>th</sup> Street N in Wichita to close April 23**

On Tuesday, April 23, the Kansas Department of Transportation will be closing eastbound/westbound E 37th Street N from N Hydraulic Street to N Ohio Street in Wichita.

The closure is necessary for a milling, patching and an asphalt overlay project. Rehabilitation work will occur Monday through Friday, from 7 a.m. to 5 p.m.

It is estimated reconstruction will conclude and this section of roadway will be reopened in late May, conditions permitting.

Eastbound motorists should follow the signed detour south on Ohio Street to E 29th Street N, then east on 29<sup>th</sup> Street and follow the curve north on N Hydraulic Street to 37<sup>th</sup> Street. Westbound motorists can follow the same detour in the opposite direction. Eastbound K-96 will remain closed for bridge construction. The on and off ramps at Hydraulic Street and northbound I-135 will stay open.

Motorists are advised to stay alert and watch out for construction workers.

**The map below outlines the project area and the detour route.**

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1.
